

Heavy Duty 50 PSI Compressor

HCPCS: E0565

FIGURE A

FIGURE B

FIGURE C

FIGURE D

- Newly designed compressor vibration mounts, clamps and lock washers, and wire harnesses improve upon an already durable design
- Ultra-powerful compressor for both humidification and high flow, high-pressure nebulization of viscous medications
- Designed to provide efficient, continuous high-pressure performance
- Lightweight and easy-to-clean

PRODUCTS

Description

18450	Heavy Duty 50PSI Nebulizer,1/ea
-------	---------------------------------

SPECIFICATIONS

Description

Electrical Requirement	115 VAC ~ 60 Hz
Flow Rate	11~41 LPM
Operating Temperature Range	50½ - 140½ F
Power Consumption	160 W
Sound	~ 60 dBA
Warranty	Limited 1 Year

ACCESSORIES

Description

MASK 007A	Adult Tracheotomy Mask 50/case, CS
MASK 007P	PediTracheotomy Mask 50/CS, CS
MASK 001P	Pediatric Aerosol mask CS/50, CS
MASK 001A	Adult Aerosol mask CS/50, CS

PARTS

Description

18450-NVALVE	Regulator Valve, 18450, 1/ea, EA
18450-RF	Rear Filter, 18450, 1/ea, EA
18450-TUBE	PETubingSet18450,1pkg, PKG
18450-SWITCH	PowerSwitch18450,1ea, EA
18450-T	TeeConnector18450,1ea, EA
18450-VALVE	ReliefValve18450,1ea, EA
18450-FAN	Cooling Fan, 18450, 1/ea, EA
18450-CB	CircuitBreaker18450,1ea, EA
18450-HEADKIT	Compressor Head Rebuild Kit,18450, 2/pkg, PKG
18450-GAUGE	PressureGauge18450,1ea, EA
18450-ADAPTER	OutletAdapter,50PSI Compressor,1/ea, EA
18450-CAP	FilterCap18450,1ea, EA
