

AquaSense Economy Raised Toilet Seat

HCPCS:

FIGURE A

FIGURE B

- Innovative design combines safety for the whole family with invigorating massage zones
- Gentle, low profile, textured surface that allows you to be comfortable standing or sitting
- Innovative design accommodates specialized bath seating without compromising stability
- Contoured ends allow for better tub coverage without blocking the drain
- A full-length bath mat with over 400 suction cups to provide an active, secure grip that conforms to your tub, making it safer for everyone
- Raised toilet seats, by AquaSense®, are specifically designed to allow the user to safely and confidently use the restroom without assistance or pain. This economy raised toilet seat is lightweight, completely portable, and universally sized to fit most commode bowls.
