

### 3-in-1 Raised Toilet Seat, 2"

HCPCS:

- Adding 2 inches of height to your toilet making it easier and safer to sit or stand
- Padded armrests provide superior support and create a comfortable, non-slip surface for a safe and secure grip
- Contoured to provide a safe and comfortable elevation
- Made from PE that is both lightweight and durable to support up to 300 lbs
- No Tools Required! Simply turn the adjustable knobs to tighten the locking plate and ensure a secure fit
- Fits comfortably on most standard and elongated toilets
- Feel good knowing that plastics parts of this product are made using recycled materials
- Makes it easier to get on and off the toilet by adapting to the users specific needs. Whether youre post-surgery or providing your family members with independence in the washroom, this raised toilet seat will provide added support for getting safely on and off ones toilet.
