

## IntelliPAP® Standard Plus CPAP System

HCPCS: E0601

FIGURE A

FIGURE B

FIGURE C

FIGURE D

- Whisper-quiet operation 26 dBA!
- SmartFlex® Exhalation Technology included
- Exceptionally small footprint fits easily into the home environment and carry-on luggage
- Includes discreet carry bag that can be easily expanded to hold additional accessories which makes it great for travelers (Figure A)
- Optional integrated heated humidification system easily docks into the bottom of the unit without requiring a separate hose or power cord (Figure B-C)
- Auto on/off automatically starts the flow of air after breathing into the mask and stops the flow of air when mask is removed
- Delay pressure ramp eases the machine to the prescribed pressure allowing the user to fall asleep at a lower pressure (0-45 minutes in 5-minute increments and 5 increments for pressure)
- SmartCode® compliance tracking encodes usage data that can be communicated to a clinician
- Optional SmartLink® Therapy Management System provides detailed patient therapy data, including oximetry (Figure D)
