

ZOËY

CPAP Cleaner

KEEP YOUR CUSTOMERS

We are B2B only and will never sell to your customers.
We are here to support you, not compete with you.

Choose what to clean

Clean your mask, tube, and machine, or just your mask and tube. Zoey gives you options.

Easy to use, quiet and sleek

Clean or set delay mode with a single button. With a small footprint and quiet operation, Zoey fits in with your living space.

O₃ technology

Zoey cleans using contained activated oxygen and filters it back as oxygen.

Item#
ZCD100

**Compatible with most
CPAP equipment**
