 **GOLDEN**

Bumper Conversion Kit & Battery Docking Station for Buzzaround EX & LX Models

Features

- Full Suspension:**
 Front and rear springs for a comfortable all-day ride.
- Front Bumper & Side Rails:**
 Protect the scooter completely from impacts.
- Large Rear Bumper:**
 Offers added protection from mishaps. The caster wheels offer ease of storage by allowing the scooter to be rolled into place while standing vertically.
- Storage:**
 Offers vertical storage with a compact footprint of 22 inches wide by 23 inches deep.
- Optional Color Shrouds:**
 Pink, Yellow, Silver & Camouflage color shrouds are available for the EX models only (upcharge applies). Both EX and LX models come standard with red and blue color shrouds.
- Optional Battery Docking Station:**
 The Battery Docking Station is portable. It connects and charges the U1 batteries.

Full Comfort Spring Suspension for a smooth ride!

Color Shrouds

Camouflage & other optional color shrouds available for EX models only.
