

Reusable Hot & Cold Compress

McKesson reusable hot & cold compresses are designed to provide hot or cold therapy. They conform to body contours to relieve pain and reduce swelling. Made with non-toxic gel, they can be brought to a hot or cold temperature through microwaving or freezing. They are available in several sizes.

Features and Benefits

- Designed to provide hot or cold therapy
- Pack remains in a soft gel state to help ensure flexibility even when frozen
- Designed for repeated use; cleans easily with soap and water
- Not made with natural rubber latex
