

## Elastic Bandages

McKesson elastic bandages provide comfortable, controlled and consistent compression for strains and sprains. McKesson elastic bandages offer firm support for stress injuries and reduce strain on muscles, tendons and joints. They can also be used for securing splints, dressings and hot and cold packs. All bandage rolls are 5 yards long.

### Features and Benefits

- Comfortable, controlled and consistent compression for strains and sprains
- Intended to provide comfort and support for an extended period of time
- Reusable and designed to retain elasticity, even after repeated use and washing
- Not made with natural rubber latex

### Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

### Never Compromise on Care<sup>SM</sup>

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and we offer you support and work to help ensure you have the products you need, when you need them—making it even easier for you to provide the best care for your patients.

The product information contained in this document, including the product images and additional product materials, was collected from various supplier sources. All product claims and specifications are those of the product suppliers and have not been independently verified by McKesson Medical-Surgical or its affiliates ("McKesson"). McKesson is not responsible for errors or omissions in the product information.

The properties of a product may change or be inaccurate following the posting or printing of the product information in the document, either in the print or online version. Caution should be exercised when using or purchasing any products from McKesson's online or print documents by closely examining the product packaging and the labeling prior to use.

Due to product changes, information listed in this document is subject to change without notice.
