

## Therapy Foam Mattress

The McKesson Therapy Foam Mattress is designed to enhance the patient experience by delivering comfort and stability. They are ideal for hospitals, home health care and nursing homes focused on pressure ulcer prevention, treatment and management. With a heel taper zone and open flame barrier, our foam mattresses help to minimize the risk of falls. To further ensure safe transfers and maximize therapy, we offer foam mattresses with raised perimeters as an additional fall prevention feature.

### Features and Benefits

- Heel taper zone minimizes risk and ensures safe transfer
- Open flame barrier for enhanced safety
- Raised perimeter available as an additional fall prevention feature
- Not made with natural rubber latex
