

Shoe Horn

The McKesson shoe horn features an effective 23-inch length to help eliminate the need to bend or strain while putting on shoes. Designed with a tapered shape and rounded edge, the shoe horn helps the user easily slip into shoes without bending or crushing the backs of shoes.

Features and Benefits

- For individuals who have trouble putting on shoes because bending is difficult
- With the aid of the 23-inch shoe horn, your heel slides easily into all footwear
- Smooth metal surface won't snag socks or stockings
- Hook-end for easy grip and handling
- FSA-eligible
- Packaged for retail use
- Not made with natural rubber latex
